

## 2023 年 3 月四级考试真题答案速查（第 2 套）

### Part I Writing

#### 参考范文：

Reading is a journey through the mind. When it comes to the books I've read recently, *Pride and Prejudice*, written by Jane Austen, is the one that I'd love to recommend to all of you.

*Pride and Prejudice* centers on the romantic relationship between Elizabeth, the daughter of a country gentleman, and Darcy, an aristocratic landowner. It is set in rural England at the turn of the 19th century, and it follows the Bennet family, which includes five very different sisters, all of whom their mother is keen to see suitably married. The encounter and interaction of these sisters with several eligible bachelors pushes the story forward.

*Pride and Prejudice*, based on daily life, is an accurate portrayal of the enclosed social world in which Austen lived, giving us insights into the state of English village life in the late 18th and early 19th centuries. Thus, I highly recommend it. Any thoughts and comments you want to share with me on this book would be greatly welcome.

### Part II Listening Comprehension

2023 年 3 月四级考试共考了一套听力、一套阅读、三篇写作和三篇翻译

### Part III Reading Comprehension

2023 年 3 月四级考试共考了一套听力、一套阅读、三篇写作和三篇翻译

### Part IV Translation

#### 参考译文：

In recent years, a growing number of urban residents are attracted by the rural idyllic scenery and travel to the countryside during their holidays. They live in farmers' homes and taste farmhouse food with local flavor. Some tourists also take part in activities such as picking fruits to feel the joy of harvest themselves. Rural tourism can effectively help tourists relieve stress, get relaxed and improve their physical and mental health. In fact, this form of tourism can not only benefit urban tourists, but also increase farmers' income and promote the development of rural economy.
